ABOUT US

KER EZHI

KER EZHI Ethiopia stands as a premier Small and Medium Enterprise (SME) in the realm of luxury leather fashion, proudly rooted in Ethiopia. With over 18 years of expertise, we are dedicated to the meticulous crafting of high-quality leather products and accessories, offering a diverse range of premium luxury items.

Our journey commenced in 2005 with the inception of Zelalem Tours & Travel Agent, a world-class tour and travel company. As our odyssey unfolded, we expanded our horizons by venturing into the manufacturing of top-tier leather goods. This endeavor not only complemented our tour operations but also sought to showcase the rich and centuries-old Ethiopian traditions of leather craftsmanship to the global fashion arena.

Since 2017, our sister company, KER EZHI Ethiopia Leather Manufacturing, has been at the forefront of producing superior hand-crafted leather products. This has firmly positioned us as the unequivocal leader in the leather goods industry across Africa.

A pivotal moment in our narrative was the inauguration of our retail outlet, KER EZHI USA LLC, at Tyson's Corner Mall in Virginia, USA, in August 2023. This marks the beginning of our global presence, with plans to open additional outlets in the United Kingdom, the Caribbean, the Middle East, and Africa in the near future.

At EZHI Ethiopia, we have embraced a socially and environmentally conscious approach to manufacturing. Our commitment to sustainability is reflected in the use of eco-friendly, ethical, and sustainable raw materials. Furthermore, we take pride in our robust Corporate Social Responsibility (CSR) program, actively engaging in cultural and charitable initiatives that contribute to community development.
